Course news

The good.....

The Tuesday group had a great day working on the toilet block and surrounds on hole 4 / 5. Paths are laid, trees cleared. The doors should arrive tomorrow and hopefully get put in place next week. Its all looking great and fingers crossed we should be all done in time for the Coringa Open.

Also – Richard has been chasing the contractor who will chip our pine slash. Again we are hoping he will be on site early April and we might get the slash chipped and off site in time for the Open.

The bad....

Rohan has injured his back and will be off work for the week. He will be keeping an eye on the place and making sure Steve and Andrew keep up the good work around the course

Kim Durant

As many of you heard, last week our long time cleaner at the Club, Kim Durant, passed away after a short battle with cancer. Paul Snape and Margaret represented the Club at her funeral service on Wednesday, and passed on condolences to her family on behalf of us all.

We have been fortunate to secure the services of Vanessa Proctor, our tenant at the ex-IGQ house. Vanessa has previous experience in a number of cleaning roles and has kindly agreed to take on the role. If you see Vanessa around the Club (and her very cute young baby), please make her feel welcome.

Firewood theft

Glenn Quantock is our local firewood man and has helped out around the course dealing to the odd tree that needs to be removed. He reported that last week someone had helped themselves to some of his firewood, and from the foot prints they left, they had been wearing golf shoes !!

Needless to say, this is not acceptable. **Anyone stealing from our tenant can expect to be permanently banned from our Club and our course – member or green fee player.**

If any one wants firewood, just contact Glenn – he's happy to sell it to Coringa members at a discounts price of \$95 a meter – just email him on glenn.q@xtra.co.nz

INTERCLUB

Metro A

Coringa played Bottle Lake last Sunday at Bottle Lake. It was a real struggle finding a team last week, but we got the numbers needed to play. Looking at the teams at the start we were the weaker team so once again I expected to lose, but we managed a draw with Bottle Lake which put a huge smile on my face, and I had to celebrate with a beer. Winners on the day Spencer Wicks, Isaac Preece, Kyle Charlwood and Chris Choie. A team loss would have ended our season but a draw means that if we win the last game, we will make the semi-finals. The last game is against Avondale at Avondale this Sunday. Once again it will be really difficult to win away from home but at least we still have a chance. Win or lose the team has done really well this season often being the weaker team and still able to compete. We are really looking forward to Sunday and I will have my fingers crossed.

The team lies in 7th place at present after a 4½ - 3½ loss to McLean's Island at McLean's Island. Their next match is at Everglades on the 27th of March

MEN'S REPORT

This Saturday, the 19th of March, is a Stableford competition off the Blue and Silver tee blocks for men and women off the Yellows.

Last Saturday, the 12th of March, was a 4BBB Nett competition off the White tee blocks for men and the Yellow tee blocks for the women with 85 participants entering the competition in 55 teams. What great numbers of people!

Could I just remind members that the Match Committee decided about 18 months ago that if a member wished to enter the match of the day you must first pay \$5 to enter the match. This payment covers any costs associated with Prizes for the day, Closest to the Pin, Twos jackpots, Nett Eagle and most importantly should you get a Hole in One \$150 payment to cover your round of drinks within the bar afterwards. You can then decide if you wish to enter and pay an extra \$2 for the Birdie Hole competition and / or an extra \$1 for the Gross Competition. These are all your choice, but you cannot just enter the Birdie or Gross competitions. Another Club Captain or Match Committee may decide to change those decisions in the future, but this is the way it is at present.

The outstanding scores came from Isaac Preece and Jono Kemp with the only 59 of the day. Well played guys and followed by Barry Stringer and Rohan Ware from Chris Choie and Ram Thapa on 62's. I personally thought the green staff (Rohan or Andrew) had put the pins in some challenging positions. Saying that Duncan Shaw-Brown picked up a \$100 from getting the Jackpot on holes 5 and 7. I congratulated Duncan on Tuesday and he told me 'he had chipped in both'. Anyhow, well done Duncan. There is still \$381 sitting within the pool. The Birdie pool of \$262 all went to eight individuals on number 17 and a total of seventeen members scored Two's so some of the pins can't have been that challenging!

The full results are available on the website.

Member Handicaps:

Through the week the match committee and board have had some active discussions over the recently implemented WHS golf handicap system by NZ Golf and how it reflects to a genuine handicap movement of a player over a 12 month or 365 day year period. I have always been aware that the maximum a handicap could move out over that period was 5 shots and therefore a member who was not playing well would be held at a lower handicap figure than their current playing abilities were at that time. I have since learnt that the WHS system identifies those players who are not playing well and if their handicap has moved out by 3 then that movement is identified and called the 'Soft Cap' and those who have moved out by 5 then this is called the 'Hard Cap'. Coringa currently has 25 men members who have been identified as having the 'Soft Cap 'In Effect' and 6 men members who have the 'Hard Cap 'In Effect'.

NZ Golf have indicated that they found that for women and veteran males that are able to play regular golf, the hard cap activates quite quickly, especially in the spring after high winter scores. We have had almost six months of spring like conditions after the last period of weather and the long rough at Coringa I believe has a bearing on some of our members high handicap challenges.

The Men's match committee has been approached for a handicap review by a member and after much discussion it has been decided that a handicap committee will be established including the Women's Club Captain, the Men's Club Captain and a Board representative John Matthews. We are planning to meet on Thursday 31 March upon my return from our Dunedin Golf Trip. The goal is to maintain an overview of WHS Handicap rules, establish protocols in conjunction with NZ Golf on how to deal with members who are affected by their handicaps being held within the 'Hard Cap,' maintain a three monthly audit on members identified within both the 'Soft' and 'Hard' list, maintain a consistency in dealing with affected members and then lastly making democratic decisions."

Coringa Open:

The '**The Lone Star and Joes Garage Group**' and '**NZ Post**' tournament on the 9th of April was closed last weekend. The Alpha Group are participating but do not wish to enter the club rooms. This decision has enabled the addition of another 12 reserves to enter. The club rooms are only allowed a maximum number of one hundred persons inside so we will have around the 90's, while 112 have either paid or will pay to play. Thanks very much to all the entries and we hope you have a great day. Please remember to comply with the COVID protocol requirements! I have completed a draw and this will hopefully be on our website by the weekend so people can check their tee times and groups. Barry will enter the tee times next week once the Saturday is available to book you individual tee times! Thanks Barry.

I have received confirmed sponsorship from **Gus Eathorne** - a round of golf for four at Christchurch Golf Club! Thanks very much Gus.

I have received sponsorship from **Martyns Mowers**, a mower service! Thanks very much to Paul Snape for organising.

Thanks very much to ALL our confirmed sponsors!

I have already accumulated 28 prizes for the limited \$10 Hundred ticket raffle which include some really great looking prizes! Thanks to the individuals who have made the donations.

If there are any members who are willing to assist with sponsoring by providing cash to purchase prizes, goods, services or vouchers, then please tell one the subcommittee members Jamie Howard, Vance Heteraka, James Willetts and myself or email me at David.harvey@xtra.co.nz !

John Maasch:

John emailed me this week to say he has injured his back and will be out of golf for a wee while. We hope it is starting to get better and we see him soon.

Ray Skinner

I was great to see Ray Skinner out having a few putts on the practice area last Monday. Ray has got to the stage where he can now do a little walking after his heart attack a couple of weeks ago.

Comment:

I mentioned last week about the awful arrival of those autumnal moist weather patterns, and didn't I get it wrong as it feels more like winter this week! Fortunately, the forecast for Saturday seems to be dry but cloudy at this stage. Get out there and enjoy.

We had 30 people playing on Wednesday including 14 members from a New Plymouth club called Westown. I spoke to the tour leader and he was very complimentary of the condition of the course and particularly the greens. We played for six prizes of meat provided by our friends at 'New World Bishopdale' and two 'Hancock's' closest to the pins.

AND NOW

The Wisdom of the Young

An Elementary School Teacher had twenty-six students in her class. She presented each child in her classroom the 1st half of a well-known proverb and asked them to come up with the remainder of the proverb.

It's hard to believe these were actually done by first graders. Their insight may surprise you.

While reading, keep in mind that these are first-graders, 6-year-olds, because the last one is a classic!
