## **CANTERBURY v. AORANGI**

James Howard and Mel Newburn both represented Canterbury on Sunday, playing Aorangi at Ashburton. Playing at #4 in his debut match for Canterbury Master's team, James Howard had two wins (2/1 & 1up) in a very close contest which saw the final overall result - an 8 all draw.

Mel Playing #5 in the Canterbury Women's team had a 2/1 loss and a 1 up win to help the Canterbury team to a victory by 11 matches to 5.

Jamie has subsequently been selected in the 6-man Masters team to represent Canterbury in the South Island Masters Interprovincial Tournament at Motueka on the 1<sup>st</sup> and 2<sup>nd</sup> of October.

Well done both of you – you do Coringa proud!

## **MEN'S REPORT**

This Saturday, the 24<sup>th</sup> of September, is the semi-final round of our 2022 Men's and Women's (Saturday) Club Championships - a match play competition off all the tees: Black (Senior), Blue (Intermediate & Intermediate Flights, and Junior A), White (Junior B), all these matches "off the Stick". The Masters (White Tees) and Saturday 18-hole Women (Yellow Tees) have a handicap match play competition.

The Club Championships is a quick-fire three weekend tournament with a 36-hole final for the Seniors, Intermediates, Junior A & B Championships, and an 18-hole final for the Intermediate Flights, the Masters and the Women all on Saturday the 1<sup>st</sup> of October.

The remainder of the club who wish to play, can enter a shotgun American Stableford match competition. Please arrive before 9 a.m. and print your cards for 9.30 shotgun start.

The 36-hole competitions will play from 8 a.m. and the 18-hole competitions will play from midday. Last year there was an issue with the 36-hole competitors having a very short break between rounds and finished up catching up with the field. To ensure that does not happen this year the second round will not start until 12.30 a.m. and I will have a marshal ensuring there is no early starting! Sorry!

There are some interesting match ups, in the semi-final games which begin from 10 am:

Masters:	John Matthews v Andrew Wight	Greg Carr v Chris Cottrell
Junior B:	Liam Longley v Robert Pryce	John Rowley v Daniel Wilson
Junior A:	Duncan Shaw-Brown v Kyle Charlwood	Terry Hampton v Kevin King
Intermediate: (Flight)	Geoff Miller v Clinton Chase	Luke Ockwell v Jimmy McOscar
Intermediate:	Albert Yee v Murray Angus	David Harvey v Isaac Preece
Senior:	James Howard v John Rademakers	Jason McCauley v Rohan Ware
Women:	Mel Newburn v Bev Gordon	Mandy Welsh v Sue Brown

To get here there were some very convincing victories to Terry Hampton 7/ 6, David Harvey 6/5, Rohan Ware 6/4 and Albert Yee and Robert Pryce both 5/4. Geoff Miller went down the 20<sup>th</sup> with Kevin Walker, Chris Cottrell went down the 20<sup>th</sup> with Bill Hallett and Murray Angus went down the 21<sup>st</sup> with Scott Calvert before winning.

Thanks to all those who have participated and good luck to those in the semis! Just a wee reminder should any of the matches need to go further than 18 holes then the Match Committee has agreed that the participants play holes One and Nine until a result is achieved!

The third round or finals draw will be entered in Dot golf by Barry

The Match Committee discussed this week that some of the semi-finalists had not been challenging themselves on the golf course and one particularly young member who was playing a senior member was failing to use a driver in the Club Champs. This I heard was a response of lack of confidence with it! The committee was disappointed that such a young member would not want to challenge himself and demonstrate his confidence with all available clubs! Improving a member's golf is a goal of the committee. So, come on Isaac throw the driver in and use it, its normally the most expensive club we have and the most important club in our game! Lets hope he has enough courage to carry and use this week! Hahaha.

[Editor note – I wonder who Issac is playing? Wouldn't be Dave Harvey by any chance??]

### Pace of Play:

Can I thank all members for the good pace of play that has been maintained throughout the Club Champs! Let's keep it up please!

I have again asked John Brettell come out on Saturday and help marshal the field .Please remember the match committee suggest that members should be aiming at playing each nine holes in about two hours and the pace of play is set and maintained by the lowest handicapper in

the four. It's that lowest handicappers responsibility to not allow a gap to be created between the four in front!

Last Saturday, the 17<sup>th</sup> of September, was the first round of our 2022 Men's and Women's (Saturday Club) Championship match play competition with almost 50 playing and 53 playing in the Irish Stableford White tees competition. So, that's the first time we appear to have over one hundred members playing on a Saturday. Again, it's fabulous to see the momentum and interest in entering our weekly Saturday competition. Thanks to you all!

The rounds of the day went to the Division Two with Callum Doherty scoring 82 from Trevor Lee on 75 and Jon Kemp on 74. In Division One it was much closer with Brian Docherty winning on 70 from Lex Halford, Richard Bradley, Allan McLelland and Mel Newburn all on 69.

Richard and Allan had a profitable day both getting the Jackpot so \$100 each and Richard picked up two Hancock's closest to the pins on #13 and #17. The pool is down to \$300. The Birdie hole #10 was struck by David Cross, Michael Byrne and Ram Thapa and the Net Eagle on #14 was struck by Maurice Owen and Phil Olsen. Once again a nice weekends profits for Alan who picked up the Gross with a 75 a prize of \$17. Once again Kev Walker shock and horror didn't pick either Mel or Murita's raffle numbers! Come on Kev get those numbers reprogrammed!

I understand from Allan that the two two's were putts from off the the green. Well done!

The full results are available on the website.

## Rules of Golf

### Rule 10 Preparing for and Making a Stroke; Advice and Help

*Purpose of Rule.* Rule 10 covers how to prepare for and make a stroke, including advice and other help the player may get from other (Including caddies). The underlying principle is that golf is a game of skill and personal challenge.

#### *10.1 Making a Stroke*

*Purpose of Rule.* Rule 10.1 covers how to make a stroke and several acts that are prohibited in doing so. A stroke is made by fairly striking at a ball with the head of a club. The fundamental challenge is to direct and control the movement of the entire club by freely swinging the club without anchoring it.

#### *10.1a Fairly Striking the Ball*

In making a stroke;

- The player must fairly strike at the ball with the head of the club such that there is only momentary contact between the club and the ball and must not push, scrape or scoop there ball.
- If the player's club accidentally hits the ball more than once, there has been only one and there is no penalty.

#### *10.1b Anchoring the club:*

In making a stroke, the player must not anchor the club either;

- Directly by holding the club or a gripping hand against any part of the body.
- Indirectly through use of an 'anchor point', by holding a forearm against any part of the body to use a gripping hand as a stable point.

If the player's club gripping hand or forearm merely touches his or her body or clothing during the stroke, without being held against the body, there is no breach of this rule.

## Raffles

I will be picking up the meat from our friends at New World Bishopdale, so please remember to purchase a ticket!

### Canterbury Metro A and B Interclub Competition

James Willetts as manager has recently received the Metro A programme which has eleven home and away matches between 16th October and 19 March 2023.

Jon Kemp as manager also received the Metro B programme which has 7 home and away match between 16th October and 19 March 2023.

Thanks very much guys for the offer to manage the teams!

I am sure James and Jon will need a large number of players for both squads and mix those people between the two sides as handicaps change. If there is anyone interested but haven't put your names down on the sheet in the Pro Shop, please do! James and Jon will be in contact with those interested. It's a great competition and a chance to play competitive golf within a team environment at other courses around town!

### Comment

Here we go again with daylight saving arriving this weekend. That means more chance to get out on the course and of course **Twilight Golf starts (4<sup>th</sup> October first game)**

Could I thank Gordon McCoy, Alan Smith, Paul Snape, Russell McGregor and all the other people who help out with this weekly get together. This get together has attracted so many people to the club and those involved need to be thanked for all the work they do managing this weekly event. Thanks very much everyone!

Well here we go again with international rugby on Saturday night in Auckland and who would have believed what happened in those last few minutes in Melbourne! The All Blacks were very, very lucky to get away with a win, so I wonder what AB side will turn up this week. Hopefully a better AB side that turned up in Melbourne and they play for 80 minutes as opposed to the current 15 minute burst and then sit back to watch! Go the AB's!

The Blank Cup side have a double round at Russley over the weekend. They are sitting fourth currently on the table, so this weekend will be a very important one for them as they play Christchurch and Pegasus!

Good luck guys and if there are any club members who wish to watch they are hit off in the morning round at holes 15/16 and the afternoon round at holes 1/2.

I am starting to work on our annual sponsors tournament which we are playing to have on 18th November! If there are any members who have potential sponsors they would like me to invite please let me know via email [David.harvey@xtra.co.nz](mailto:David.harvey@xtra.co.nz) or cell 021 1499070.

I keep saying this but each year that spring growth arrives and I look at the course as I walk around and remind myself how lucky I am to play at Coringa. Now the mulching has started the course has a real park-like feel and look. I think it looks great. A big compliment must go to the board and the green staff for maintaining the outstanding condition of the course. We had twelve members from Clearwater play on Wednesday and they were very complimentary of the course's condition. Get out there and enjoy!

## WEDNESDAY GOLF

### 'Lone Star and Joes Garage Group' Wednesday \$10 and \$15 Tournaments

On Wednesday, the 21<sup>st</sup> of September, we had 53 participants at our \$10 'Lone Star and Joes Garage Group' tournament including meat prizes from 'New World Bishopdale' and closest to the pin prizes from 'Hancock's'.

There was a strong southerly wind, but no rain and a course which was looking and playing well. The trend of outstanding scores continued with Pat Evans scoring 45 Stablefords from Bill Hallett on 39 in Division Two and in Division One the Sue Brown won on count back from David Harvey on 39! We had eight prizes in each division and plaid down to 34 in Division One and 36 in Division Two.

Notable Results:

#### **Division One** [up to 15,8]

1 <sup>st</sup>	Sue Brown	39(C/B)
2 <sup>nd</sup>	David Harvey	39
3 <sup>rd</sup>	Walter Scott	38
6 <sup>th</sup>	Rob Woodhill	36

#### **Division Two** [15.9 and above]

1 <sup>st</sup>	Pat Evans	45
2 <sup>nd</sup>	Bill Hallett	39
3 <sup>rd</sup>	Trevor Lee	38(C/B)
4 <sup>th</sup>	Peter Marsh	38
6 <sup>th</sup>	Sue Smith	36(C/B)

The full results are available on the website.

It was good to see Bill had a good round as it didn't look like a fun day for him from behind. His bike fell over on number 12 and needed Malcolm Wratt to help him right the bike! I understand he'd broken the break lever. Then on number 13 he thought he had lost Malcolm's score card. After a bit of the look around 13 he finally found it in his back pocket!

Next week the Wednesday crew are at Ellesmere for those interested!

On Wednesday, the 5<sup>th</sup> of September, we have our monthly \$15 'Lone Star and Joes Garage Group' tournament including \$50 vouchers from 'Lone Star and Joes Garage Group', meat prizes from 'New World Bishopdale' and closest to the pin prizes from 'Hancock's'. Make some time and get out and enjoy spring!

Thanks once again to our sponsors.

## THURSDAY GOLF

Nice to get yet another lovely sunny day and a good field of 26 for a Stableford match off the Yellow tees, and the outstanding score was Phil Olsen with 41 points. Normal service was resumed with Jimmy Anderson on 37 coming in second, and full results were as follows:

1 <sup>st</sup>	Phil Olsen	41	
2 <sup>nd</sup>	Jimmy Anderson	37	
3 <sup>rd</sup>	Greg Carr	35	(a countback won't save him on Saturday!!!)
4 <sup>th</sup>	Chris Cottrell	35	
5 <sup>th</sup>	Hugh Little	35	
6 <sup>th</sup>	John Matthews	35	

Two's today for John Robinson (#5), Phil Olsen (#5), Derrick Xu (#13), and John Maasch (#17). Nearest the pins went to Doug Ames (#) and Derrick Xu (#17).

It was a pleasure to welcome a new member (ex-Russley) in Peter Cottrell and he was pleased to discover that we are not related.

Hopefully the fine weather will continue and until next week good golfing.

Chris Cottrell for Thursday Men

## **AND NOW**

### A Simple Mistake.

An old man crashed his car into a very expensive automobile. The owner of the expensive automobile jumped out and confronts the old man and says, "Give me \$10,000 or I'll beat you to a pulp!"

The old man replies. "Whoa! Wait buddy, I don't have that much money, but let me call my son. He trains dolphins."

The old man dials his son and is about to speak when the owner of the expensive car yanks the phone out of his hand and says, "So you train dolphins, well your old man just hit and damaged my car, you'd better bring me \$10,000, or I'm gonna beat the heck out of him and you!"

The son says, "Give me 15 minutes and I'll be there."

In exactly 15 minutes the son pulls up in a jeep, ten men get out and beat the heck out of the expensive car owner.

Meanwhile the son walks over to his father and says "Dad, I train Navy Seals, not dolphins!"
