CLUB CHAMPIONSHIPS

The **Coringa Club Championships** will begin with the first qualifying round on the 4th of September. The second is the following week 11th of September – the best ONE of the two to count for qualification and seeding purposes.

Five grades: (Handicap index)

If you are unable to play your match on the due date you may play any time before the date of the next due round. Please let Dave Harvey know if you need to do this.

A notice to trophy holders from last year – please return these to the pro shop asap and it would be appreciated if you could engrave them.

WINTER RINGERS

Slightly warmer overnight conditions meant that there was some relief for the early tee-off starters after weeks of harsh weekend frosts. The day turned out great after not looking so favourable earlier in the week when rain was forecasted all weekend.

The top three positions in the each of the Groups remain the same, with only Group A the position order remain unchanged. Mal Ashton holds on to the lead with a net score of 58.0, a lead now of 1.4 over Brian Docherty, followed closely by Spencer Wicks on 59.7 and Dave Harvey on 61.6.

Less than 4 shots covers the first six, with two rounds remaining.

In Group B, saw David Cross reclaim the lead on 52.1 after improving his score on three holes during the round and opening a healthy margin of 1.8, followed by Walter Scott and Kevin King tied in second on 53.9, with Murray Angus a further 0.1 behind. In the most competitive Group the first 10 players are within a range of 5.9 strokes.

In Group C, Gordon McCoy on 52.0 surged past his closest rival Jonathan Kemp after improving his score on three holes and now holds a lead of 1.1, with Alan Wicks only 0.5 further behind. There's a gap of 0.6 to Chris Cottrell who lies in fourth.

Please note that the three groups are based on the players current handicap indexes and the current groupings are not final and are only indicative given that each player's handicap index can change after each round and therefore redefine the composition of the Group especially for those players on the range borders.

Last week saw another 15 birdies recorded by the Ringers field during the round. That brings the overall total to 90 birdies or better. Currently Mal Ashton has seven birdies, followed by Spencer Wicks, Walter Scott and Murray Angus with six birdies with Melissa Newburn, Dave Harvey and Vance Hetaraka, each having five birdies.

The weather outlook for the weekend is looking bright with Saturday forecasted fine with light nor'easterly winds with a high of 12 after an overnight low of 0. This being the penultimate week, it's time to put your A-game on show and not to leave it all to do in the last round of the competition. Again, you'll have the choice of two tees to play off, Blue or Silver/White.

See you out there on Saturday and Happy Golfing.

BLANK CUP TEAM TRIALS

The final trial is this weekend.

Remember it's a minimum of 5 rounds (4 blues + 1 black) with the first 7 past the post selected plus a selector's choice.

Those who choose to play 6 will be averaged over 6 rounds.

CLUB NEWS

New Members

We welcome the following two new members this week:

Sookyum Kim

Joon Park

Do not hesitate to ask from the pro shop or any of the members how the club functions and the different competitions we run throughout the week. Most importantly do enjoy your time at Coringa.

Course Committee Thanks

The course committee would like to thank all the volunteers for the work they have been doing on the course, in particular the paths on #10 & #16 - they look great. Looking forward to see what the team can do with the path around the 6th hole – there's even a rumour that Russell is keen to extent his hand to take on a some bridge repairs – looking forward to seeing the results!!!

Once again thanks for giving up your valuable time to help make Coringa look great.

Other course news

The yellow tee block on hole no. 9 has caused a bit of debate about its slightly 'bumpy' surface. Rohan says this is to be expected – while the new tee block was packed down and compacted it still is going to take some time to fully settle down (right through into summer with the warm weather and then regular watering of the tee). At some stage we'll probably need to returf the tee to get the nice flat surface we're after, but this will be much easier as the tee block settles into place.

The club has bought some sand boxes for each of the Par 3's. These can be used to repair the tee's (either your divots or someone elses' – if play is slow, here's your chance to do something useful with your time!!)

Rohan and the team have spent a couple of weeks clearing around the Blue 17th tee. The work here is more than just for looks – the hope is by opening up the tee block it will encourage better grass growth on the block this spring.

Pace of Play

Winter conditions do slow things down a little, BUT!

Four and a quarter hour (plus) last Saturday was better, but it is still too long! Do make sure you are ON TIME and keep up with the four ahead. The Black tees again this Saturday mean this is even more important.

Course Care

I know this is a repeated message - BUT IT STILL APPLIES!

With winter conditions now upon us try and keep away from any muddy patches with your trundlers and keep carts well away from greens and DO NOT drive between bunkers and the greens, especially in the marked off areas. If you can, park up behind the green. If possible always try to travel in the rough and walk across to your ball when you reach it.

As a player / member we need your help to keep the course in the best condition possible. The course committee would like to remind you that that this involves raking bunkers – (even if you didn't make the footprint), to repair any pitch marks – (even if they are not yours) and to carry a sand bucket and repair divots that you see – (even if they are not yours!)

Café News

For the colder winter months Soup will be available on the menu.

- A cup of homemade soup with a bread roll \$5.50
- A bowl of homemade soup (2 ladles) with 2 bread rolls d \$9.40

THE MEN'S REPORT

This Saturday, the 24th of July, is an Irish stableford competition off the Blue or Silver tees, and the last round of the Rep Trial Process. Thanks very much to those hardy souls who are trialling for the side under the stewardship of John Rademakers.

I've had the last couple of weeks away from the clubrooms, holidaying and drinking too much fine New Zealand wine and beer, so I am looking forward to being back in there to pick up the stories. I would like to thank JB and Puds for covering for my absence!

Last Saturday, the 17th of July, was a Par competition off the Black and Silver tees and the KORNZ Cup was contested between the late morning players and the Alpha group. What a great afternoon was had by the 32 players who participated in the cup match. It was a four ball stableford match and played in a very competitive spirit! The match was won by the late morning group with a 7 and a half to a half result. The outstanding wins came from Walter Scott and Vance Heteraka and Terry Hampton and Bobby Pratt with 5/4 wins. Thanks everyone for making the efforts to play. I understand the Alpha Group had a further eight players willing to play, so next time guys make some time and join in!

Cook Eum of the Alpha Group presenting the trophy to David Harvey after the match

It was great to see 94 entering the match of the day, with 10 off the black tees and 84 (in four divisions) in the silver tees competition. The gross prize went to Nic Kay on 72 and it's great to see you regularly out there Nic, and Daniel Bushby won the Par competition on plus 3 on count back

from Jamie Howard. The weekend's best scoring occurred in Division Three with Philippe Lyonnais on count back from Kevin King on +4 and in Division Four, Keith Yardley on count back from Andrei Cotiga also on +4. Murray Angus won Division One on +1 and Bobby Pratt won Division Two on +3.

The Net Eagle hole was #12 and great to see \$100 went to John Robinson. Well done, Robbo! The birdie hole was #10 and won by Scott Ritchie and Seoung You (Alpha), while the jackpot was not struck so sits at \$81.

Great scoring to the winners! The full results are available on the website.

I was challenged about the pace of play on Saturday. It took me 4 hour 10 to complete my round at the end of the field, which I didn't think was too bad considering the numbers playing. Can I remind members to read the club notices and suggestions on pace of play. I must also comment to any of those that are playing in a three, you will obviously have to be patient as a four cannot travel and play at the same speed as a three!

Comment:

As I go through life I continue to remind myself, that it is so important to enjoy each day, as we don't know what is around the corner! I have had the good fortune to play in the KORNZ cup last weekend and enjoyed my day with people I don't normally play with. I saw joy, happiness and a real sense of club unity within those playing. Then on Tuesday I was part of '**Russell McGregors' Tuesday crew**' completing the pathway around #16 tee and starting the pathway around #6. What fun to be with positive and energetic people making a real difference to the green staff's workload. I have had so many people expressing appreciation for the work being undertaken by Russell's crew. To me these feelings is what a club is about, positive people helping each other get some pleasure out of our lives.

Get out there and enjoy winter golf!

Rule clarification

Back in January 2019 when there were several rule changes, one of which was:

1. No penalty for a double hit – it only counts as one stroke

This was interpreted by some of us as being a gin, so happily went along with the gin shot not being a penalty. But it would appear this is incorrect

However, Sandy has since had this clarified, and this is the ruling

GOLF'S NEW RULES. Major Change: Ball Accidentally Struck More Than Once During a Stroke
March 12, 2018. 2019 Rule: Under Rule 10.1a, if the player's club accidentally hits the ball more than once during a single stroke: There will be no penalty and the ball will be played as it lies.

Gin shots below

Under the Rules of Golf, any stroke in which you intend to hit the ball counts. It doesn't matter how far the ball goes. If you swing and miss, and you were trying to hit the ball, then it counts. 29/09/2017

This is also called a whiff shot

WEDNESDAY GOLF

\$15 'The Lone Star and Joe's Garage Group' Wednesday Watering Tournament:

This Wednesday we had 61 participants at our 'postponed' Tournament and we played for \$50 Vouchers from 'The Lone Star and Joe's Garage Group', 'Hancocks, Wine, Spirit & Beer Merchants' closest to the pin and meat prizes from our friends at **New World Supermarket Bishopdale**.

The match committee has been approached by Johnny McKay and Johnny has offered the club sponsorship through his employer '**Hancocks, Wine, Spirit & Beer Merchants**'. This sponsorship will be used for covering the closest to the pin and the random draw prizes as part of our monthly '**The Lone Star and Joe's Garage Group**' Wednesday Watering Tournaments and Also as a new challenge in the Saturday match. Johnny has offered a bottle of wine from '**Hancocks**' to be part of a putting competition. Therefore, from this Saturday there will be a marker on a randomly selected Par 5 green on the course. This marker will be placed at the position where the longest putt has been made from on that green. The putt must be made on the green - and the fringe does not count. It is hoped you will enjoy the new challenge and thanks very much Johnny for the offer.

The best score of the day went to Lin Wang who shot 71 from Dutchy Rademakers on 72 on what I thought were fabulous greens and conditions. It was also great to see Vance Heteraka getting permission from Jess to get out on Wednesday, but it didn't mean he needed to pick up all the good prizes, with first in the competition and two raffles!

The Coringa member results include:

Division One (less than 14.4)

1 st	Vance Heteraka	41
2 nd	Richard Kingsbury	40
3 rd	Lin Wang	39
8 th	David Harvey	36

Division One (14.5 and over)

1 st	Hugh Little	37(C/B)
2 nd	Russell McGregor	37
4 th	Jimmy Anderson	36(C/B)
6 th	John McCabe	35(C/B)
7 th	Jerry Kuipers	35
8 th	Wing Gin	34
10 th	Peter Bailey	33

Please remember our next **\$15 'Lone Star / Joes Garage Group' Watering Tournament** on the **4th August** and the **\$10 Tournament** on the **18th**.

Remember all the tournament starts at 10.30 a.m and are focused on getting people into the clubrooms not just playing golf! The board have decided to have the kitchen open for both tournaments and Murita will be there to provide her lovely food.

THURSDAY MEN'S GROUP

The winter weather prevailed again for another cancellation.

Better luck next week!

Chris Cottrell

For Thursday Men.

AND NOW

The Navy Pension

The Navy found they had too many officers and decided to offer an early retirement bonus. They promised any officer who volunteered for Retirement a bonus of \$1,000 for every inch measured in a straight line between any Two points in his body.

The officer got to choose what those two points would be.

The first officer who accepted asked that he be measured from the top of his head to the tip of his toes. He was measured at six feet and walked out with a bonus of \$72,000.

The second officer who accepted was a little smarter and asked to be measured from the tip of his outstretched hands to his toes. He walked Out with \$96,000.

The third one was a non-commissioned officer, a grizzly old Chief who, when asked where he would like to be measured replied,

From the tip of my weenie to my testicles.'

It was suggested by the pension man that he might want to reconsider, explaining about the nice big checks the previous two Officers had received.

But the old Chief insisted, and they decided to go along with him providing the measurement was taken by a Medical Officer.

The Medical Officer arrived and instructed the Chief to 'drop 'em,' which he did. The medical officer placed the tape measure on the tip of the Chief's weenie and began to work back.

"Dear Lord!", he suddenly exclaimed, "Where are your testicles?"

The old Chief calmly replied, "Vietnam".
