## **CLUB NEWS**

### **COURSE NEWS**

Green speed is 10.2 feet.

The rough only got two laps around every fairway as the rest is drying up in this warm weather.

We had a water leak last weekend behind the 13 tee that we fixed so we could keep the new tees nice and moist. The difficult area in front of 13 green has been turfed and looks nice and tidy again – hopefully it comes through the hot weather OK.

New Tees - the new tees have all been hydroseed, so we expect in 7 days' time to have them germinate, the new front block on 4 is looking very smart. 15 and 17 have had their first mow and will get fertilized next week, for the rest of them will get their starter fertilizer soon.

Next week - we get the course ready for some short weeks, apply fertilizer to the greens and tees, some more bunker work and assess what rough needs to be done

Rohan

### **NEW TEE BLOCKS - GUR**

Remember

These area's are **NO PLAY ZONES** and as such you do not have the option to play the ball as it lies. If your ball lands in these area's, just leave it there. – please don't walk in these newly turfed areas.

**Drop area**, same as with any GUR, free drop within 1 club length “nearest point of relief no closer to the hole”

### **TUESDAY WORKING GROUP**

Thank you to all that were able to attend the working bee today, it was a great turnout with 14 attending.

A big thanks to Glen our onsite Firewood Supplier as he was there bright and early with Harv to remove the big tree on the edge of the carpark.

This tree needed to be removed as it is in the path of the new fence that Russell and helpers will build next year.

If you are looking for firewood for the winter, call out and see Glen, he will give you a good deal.

Once the team carted and cleaned up from the removed the tree, we also dealt to some fallen branches around the course that needed to be cut up and carted away following the recent strong winds. We had our truck and tipping trailer up and running again today, thanks to Rohan.

We then finished tree trimming on number 6 and the 16th. Phil put the new pole saw to great use clearing the low hanging branches that inhibit mowing the rough.

Puds was busy on the surrounds mower and Mike and Murray continued with the weed spraying program.

Barry Nelson was also out on the course very early and filled up all the sand boxes.

Thanks, Russell, for the great morning tee.

That is our last working bee for 2025, and we have some really good projects lined up for the New Year which will all assist with the presentation of our course.

Anybody wanting to join the Tuesday crew, watch the Newsletter for our 2026 start date and just turn up between 8.30 and 9am on Tuesdays.

Next Monday the crew is heading to Waimairi Beach for a relaxing game of golf to wind up our year.

Thanks to all the volunteers that have given their time in 2026, so willingly to assist in the running of the club and keeping our course great.

Harv / Brian

## **SUMMER RINGERS**

A great start to the 2025/26 Summer Ringers Competition with 40 participants entered so far... with a number of others still to register. Don't miss out on this FUN competition that runs for **13 rounds** as you try to achieve your best gross score on each individual hole with the weekly rounds counting down to the final week in early March 2026. Put your name down on the Ringers Entry sheet in the Pro Shop this Saturday(s) and pay your \$10 entry fee. Any qualifying round played prior to entry fee being paid will be included. If you start having a few bad holes during your round, all is not lost as you can refocus on the holes left and bettering the best carded scores on them.

After the completion of Round 1, Andy Williamson (14.7) leads the overall Leaderboard on 65.300 with Liam Longley (20.1) second, a margin of 2.600 separating them. Tim Donaldson (8.4) and David Cross (17.4) are next in equal third place on 68.600, only a margin of 0.700 from second. With Beverly Gordon (25.2) holding fifth position on 68.800.

There are currently 16 competitors who are under net par after the first round, the leaderboard will change dramatically over the coming weeks and the narrowing of the range of net scores as the field compresses.

There were 28 birdies or better recorded last week, with the highlights being the round of 74 carded by Dean Harvey (+0.2) and the first two eagles carded by the field, by Iain Findlater (13.9) and Alan Wicks (15.2) both carding their eagles on the par 4 Hole # 15.

Iain Findlater (13.9) leads the birdies or better statistics with a tally of 1 eagle and 3 birdies, followed by Spencer Wicks (4.0) with 3 birdies each. Richie Maguire (10.7), Kyle Charwood (10.7), Leighton Sparks 9.4), Roy Wang (7.9) and Dean Harvey (+0.2) are all next with 2 birdies.

There are only 2 players so far, to have registered bogey or better on every hole.

The hardest ranked holes determined by the numbers of birdies or better carded after Round 1, is Holes # 2,5 and 18 with no birdies recorded by the Ringers field. The easiest hole has been Hole # 15 with 5 birdies or better by different players. The next easiest is Hole # 14 with 3 birdies or better by different players.

### **VETS CUP change – stroke play to stableford**

We are looking to make a small change to the upcoming Vets Cup, Changing the format from a Stroke competition to a Stableford competition, Historically this has played as a Stroke competition, but with the increase in field numbers and the constant battle with pace of play, Stroke rounds often have a negative effect on pace. Please let me know if you have any concerns with this change  
Vance.

## **MENS REPORT**

**This Saturday 13<sup>th</sup> December**

**POWERADE / COCA COLA – CHRISTMAS HAMPER DAY  
AMBROSE COMPETITION**

**Last Saturday 6<sup>th</sup> December.**

Was an Irish Stableford competition off the Black / Silver tees,

Great to finally see a new name win the best gross prize, congratulations to Isaac Preece with a very respectable 77 off the very difficult black tees

We might have to introduce drug testing on a Saturday, starting with Andy Lee who amassed a whopping 95 points, wow!

I did a quick check of Andy's round, thinking he must have had a spectacular last 6 holes when the points were tripled, but no, he just played a solid 18 hole round. A great round Andy, well done

Poor Kim Stevens must have felt hard done by, shooting a fantastic round of 85pts only to be a long way back in 2<sup>nd</sup> place to Andy.

It was very funny, when Kim walked into the clubhouse during the prizegiving, his score had just been announced, so as soon as he walked through the door the whole club started clapping and cheering for him, poor buggar - he had no idea what was going on.

Congratulations also to Andy Corbett taking first place in his division, great to see a new name on the prize list, scoring 86pts.

Overall the scoring was very high, with 11 people scoring 80 or more points, those of us languishing in the mid-50's had no chance.

Congratulations to Murray Brown, collecting the 2's Jackpot,

### **NEW PAR 3**

After Saturday's round, we discussed changing hole 15 to a Par 3, as it was obviously playing way too easy today, with 3 people scoring 2's on the par 4 hole. That is the first time I've ever seen this. Congratulations to Iain Findlater, Jacky Zhang and Alan Wicks on scoring a 2 on the par 4 15<sup>th</sup>.

I have to make special mention that Alan's 2, was even more spectacular in that it came from the Black tees – wow!! Alan “big boy” Wicks, drove the green on a 375m hole - leaving himself a 5ft putt, which he holed.

Yes I know, the black tees were moved forward to the temporary tee zone, it just makes for a better story this way.

Well done to all 3 men.

## **WEDNESDAY**

The group headed off to Templeton this week and there were a good number of members playing on a very dry and boney fairways and nicely paced greens. Unfortunately with Christchurch at this time of the year the wind got a bit stronger as the day went on. There were some outstanding scores from our members with obviously a number of hams heading home.

5th.	Dave Stead.	38(C/B)

**Lone Star and Joes Garage Group' (\$10/ \$15 entry) tournament**

On **Wednesday 17th of December** we will have our last mid month '**Lone Star and Joes Garage Group**' (\$10 members entry and \$15 for non members) tournament with our meat prizes from our friends at '**New World Bishopdale**' and closest to pins purchased through '**Hancocks**'.

**We will then have another mid month tournament on Wednesday 21st January but the real Watering Tournament circuit does not start again until the first Wednesday of February at home of course.**

I hope all the many participants and the sponsors of our first Wednesday tournament have a great Christmas and New Year 2026.

### **THURSDAY GOLF**

On a sunny Summer morning we had a field of 16 players turn up for the Thursday Mens Xmas Tournament. Today's round was a stableford off the silver tees. We were also playing for the Bert Fifield trophy which is for the best stableford round on the day.

The course was in superb condition, the fairways and greens look and play well.

The scoring was very good today, with 2 players scoring 41 points. First place on countback was Duncan Shaw-Brown from John Matthews also on 41 points. In 3<sup>rd</sup> place was Paul Carpinter on 39 points, in 4<sup>th</sup> place was David Potter on 37 points and this was on countback from Seamus O'Cromtha.

Robert Pryce was closest to the pin on hole 17 and he had much pleasure crossing off David Potters name and putting up his. Unfortunately for Robert he missed his 2 but David got his. There were 2 two's today and these went to David Potter on 17 and Seamus O'Cromtha also on hole 17.

The most honest golfer today was Swampy, he played some good golf for his 22 points.

### **Results**

1 <sup>st</sup>	Duncan Shaw-Brown	41 points
2 <sup>nd</sup>	John Matthews	41 points
3 <sup>rd</sup>	Paul Carpinter	39 points

## **And Now...**

- Abe and Esther are flying to Australia for a two-week vacation to celebrate their 40th anniversary. Suddenly, over the public address system the Captain announced, "Ladies and Gentlemen, I am afraid I have some very bad news. Our engines have ceased functioning and we will attempt an emergency landing. Luckily, I see an uncharted island below us and we should be able to land on the beach. However, the odds are that we may never be rescued and will have to live on the island for the rest of our lives!"

Thanks to the skill of the flight crew, the plane lands safely on the island. An hour later Abe turns to his wife and asks, "Esther, did we pay our \$5,000 IRD Tax penalty yet?"

"No, sweetheart," she responds.

Abe, still shaken from the crash landing, then asks, "Esther, did we pay our American Express card yet?"

"Oh, no! I'm sorry. I forgot to send the check," she says.

"One last thing, Esther. Did you remember to send checks for the Visa and MasterCard this month?" he asks.

"Oh, forgive me, Abie," begged Esther, "I didn't send that one, either."

Abe grabs her and gives her the biggest kiss in 40 years.

Esther pulls away and asks, "What was that for?"

Abe answers, "They'll find us!"

## **MEMBERS CORNER**

### **New bench seat on 16<sup>th</sup> tee**

Members may have noticed the new seat on the 16<sup>th</sup> tee block.

This has very kindly been donated by the Alpha group, in loving memory of long serving member Pil Jung Eum. (Cooks father)

A drunken man staggers into a Catholic church and sits down in a confession box and says nothing. The priest coughs to attract his attention, but the man says nothing. The priest knocks on the wall three times in an attempt to get the man to speak. Finally the drunk replied: "there's no paper in this one either".
