CLUB NEWS

New Members

We welcome the following eight new members this week:

Graeme Blakemore

Jack Hedges

Mi Hyang Moon

Ashton Mulloy

Meesun Park

Brody Patterson

Thomas Shim Jason Yun

Do not hesitate to ask from the pro shop or any of the members how the club functions and the different competitions we run throughout the week. Most importantly do enjoy your time at Coringa.

Subscriptions

Thanks to everyone that's paid their subs or made arrangement to pay them off over the year. For those yet to pay – we'd like you to either pay, or put a payment plan in place, by the end of this month. Any problems, please just contact us via the club email office@coringagolfclub.co.nz

COVID rules

We do need to ask members to wear masks in the ProShop (I know I'd previously said it was preferable but John Matthews has quite rightly pointed out that it's actually a requirement of Golf NZ).

Please help the club out and comply with the rules. We've been really pleased with the compliance and attitude of members and guests over the last couple of weeks – Thank You!!

Around the course

The spring grass growth is underway and with the rain we got earlier this week and a bit of warm weather next week, we will really see the grass take off over the next couple of weeks. Rohan and the team have been busy fertilising the tees and surrounds this week, and are getting ready to install more irrigation in the practise area next week (might be a bit of disruption to practise facilities when this happens)

Otherwise, the course is looking fabulous – it's a great time of year to play golf!!

The Tuesday team were back at it this week, working on the path by the 13th hole (looks great doesn't it!).

Next projects are to finish off the work trimming trees by the 4th and 5th hole, fix the path in front of the 4th blue / silver tee block and when the weather warms, finish off the final painting needed of the club rooms. The list is a long one but its great to see the steady improvement around the course.

There is a lot of labour that goes into all these jobs, but the Club has been the recipient of some very generous assistance and material supplies over the last 4 - 6 weeks from a new member **Mike deWitt of GROW LANDSCAPES**. Mike has supplied approx. 10-12 truckloads of aggregate and crusher dust, all supplied and delivered free to the club. The Tuesday working group have had their work made easier by Mike delivering and spreading the material on the pathways at holes 10, 16, 6, 13.

If you require, Plants, Pots,& any landscaping requirements Mike's business is Grow Landscapes 69 Moorhouse Ave. It would be great to support Mike as he has been very generous to Coringa Golf Club.

MEN'S REPORT

We start our two rounds of qualifying for the club championship this Saturday, the 18th of September, a couple of weeks later than programmed off the Black, Blue, and White tees. Therefore, for the next two weeks there will be five Nett competitions for the different championship grades. The match committee has been decided that the handicap you have at the time of your first qualifying round entered in the championship decides which grade you will play within for the championship. Please enter your names and gross scores for the Senior, Intermediate, Junior A and B but Nett score for the Masters in the forms available in the pro shop.

This year I have instigated a Saturday Women's grade and it is open to any women who plays 18 holes throughout the qualifying Saturday rounds.

Good luck to those hoping to qualify.

Urlwin Rose-Bowl:

Since the decision to delay the semi-finals and final until after the club champs, I have realised the new dates are within the Labour weekend period and therefore I have set dates which are semi-finals on the 30th of October and final on the 6th of November. I hope this works for those involved.

Semi Finalists are:

Barry Stringer & Scott Ward v. Kevin King & Albert Yee

Vance Heteraka & Jonathon Kemp v. Russell McGregor & Paul Snape.

Last Saturday, the 11th of September, was a Stableford competition off the Silver tees and being playing with the COVID-19 rules. It was great to see 90 members were out there and we were able to have four divisions. Thirty-eight individuals thought they were good enough to enter the gross prize competition. Good to see Scott Ritchie picked up the prize with a 74 which does give us all a chance! It great to hear members actively talking about and competing for the club room honours!

The notable scores in Division One went to Mal Ashton with 40 stablefords, while in Division Two Kevin Walker also had 40 points. Division Three had Andrei Cotiga with the outstanding score of the day on 45 points! (My golly Andrei you must be getting the chop soon). And lastly in Division Four Alan Smith had 42 points. Some great scoring!!

Olly Snape must have played well as he had a very profitable day picking up the closest to the pin on number 5, sharing of the Nett Eagle hole on number 8 and the Birdie hole on number 3. Well done Olly!

The Jackpot was not struck again and has pooled to \$262.

The full results are available on the website.

Canterbury Golf Sunday Competitions:

The Metro A side has been registered with Canterbury Golf under the management of James Willetts. Thanks very much for taking on the role James.

Unfortunately, there was no one interested in managing the Metro B side.

Meat and Wine Prizes:

Could I ask members to check the board if you buy a raffle and don't know the results. If you have a prize, wipe your name off, then ask Murita to pick up your prize, as we don't have a lot of space available in the freezer.

Upcoming events:

18th & 25th September - Qualifying for Club Championships. Subsequent match play rounds are 2nd, 9th, and 16th October)

Urlwin Rosebowl. - Semi-finals 30th October and Final 6th November.

Closest to the Pin:

Previous week (11 September)

Malcolm Wratt

This week (18 September)

Mike Dimond

Following Week (25 September)

David Harvey

We have been fortunate to secure through **Johnny McKay** and Hancock's, **Wine, Spirit & Beer Merchants** a very substantial sponsorship of product. This sponsorship will provide sufficient prizes to cover the weekly Saturday closest to the pin and longest putt (with five prizes), as well as two prizes for the weekly Thursday and prizes for the two Wednesday competitions.

The Match Committee is very appreciative of the offer arranged by Johnny through his employer Hancock's. In the meantime, we will be completing the paid member sponsorships before beginning the weekly Hancock's prizes.

Could I thank all the members who have supported, offered and sponsored this match committee initiative! The initiative will have provided 163 weekly prizes at conclusion, well done, everyone!

Course:

Could I ask those cart riding players to please not park their carts directly in the front of the green or on the tee blocks. I have recently noticed some tire damage being done to the course as a result of the parking!

Membership Welfare:

Russell McGregor (The Boss):

It was great to see 'The Boss' with his sore shoulder / neck back out leading his team working on the course. Unfortunately, his injury is not improving to the extent that he can play, but we all hope it improves enough so he can support his partner Paul Snape in the Urlwin Rose-bowl.

Apology:

A few weeks ago, I mistakenly included within my weekly report that; "*Russell McGregor and Paul Snape had won one up against Jerry Kuipers and Keith Yardley at the ninth before the weather got to our senior statesmen.*"

Well, I got a warning from one of those 'senior statesmen' indicating they were considering to instruct a lawyer to commence defamation action! I did get the story wrong! Some of you will say I get the story wrong too often. So, to correct the story Keith continued playing and Jerry pulled out. The rumour was the heater in his buggy wasn't working! Sorry Keith!

Comment:

Canterbury is really into that inconsistent spring weather pattern and there is no certainty as to what the next day is going to bring. What it does tell us is get out there when the weather is good and enjoy our fabulous course! The COVID-19 Delta outbreak and rules are a challenge, but golf friendship and the opportunity to get some fresh air in our happy place is a great side of life we must appreciate!

The only two of the day went to Jerry Kuipers on 17. Following on from the generous sponsorship by Hancock's Wines we had nearest the pin prizes on holes 7 and 17. Keith Yardley scored on 17 and much to the embarrassment of several low handicap players nobody was able to hit the green on 7 never mind get close to the pin!!! (I'm looking at you David, Derick and Lex!!)

Looking forward to more fine weather next week and until then good golfing.

For Thursday Men

AND NOW

Brucey and Trev

Bob died in a fire and his body was burned pretty badly.

The morgue needed someone to identify the body, so the funeral director sent for his two best friends,

Brucey and Trev

The three men had always done everything together.

Brucey arrived first, and when the mortician pulled back the sheet he said, 'Yup, his face is burned up pretty bad. You better roll him over.'

The mortician rolled him over and Brucey said, 'Nope, ain't Bob.'

The mortician thought this was rather strange.

So he brought Trev in to confirm the identity of the body.

Trev looked at the body and said, 'Yup, he's pretty well burnt up. Roll him over.'

The mortician rolled him over and Paddy said, 'No, it ain't Bob.'

The mortician asked, 'How can you tell?'

Trev said, 'Well, Bob had two a-holes.'

'What? He had two a-holes?' asked the mortician.

'Yup, we never seen 'em, but everybody used to say:

There's Bob with them two a-holes.'

Fishing without a permit

A young man is found fishing in a nature preserve by a police officer. His bucket is full of fish.

Cop: Do you have your fishing permit on you, young man?

Fisherman: No sir. They're my fish. I brought them from home.

Cop: What do you mean brought them from home?

Fisherman: Every day I come here and let the fish swim in the pond and then I call them back.

Cop: What? How?

Fisherman: I whistle at them, and they jump back into the bucket.

Cop: Show me.

At this point, the young man empties his bucket and stands still.

Cop: so!?

Fisherman: So what?

Cop: Call the fish!!

Fisherman: What fish?
