SUMMER RINGERS

A Happy New Year to everyone...a year in which we hope we'll get to see some normality return to our lives and that we get to see the loosening of the border restrictions once we and the other countries get control of this pandemic, it's well and truly overstayed its presence.

Round 5 of the Summer Ringers Competition began with ideal calm overcast conditions which should've allowed the players on get the better of the more difficult front 9 before the rise in temperatures and wind by the end of their rounds. Several competitors are still away on their annual festive break out of town with family and enjoying some freedom outside of Christchurch.

There were several significant improvers in the field this week with Jonathan Kemp improving 30 places to lie in tenth position, an improvement of 15.75; followed by Charley Longley moving up 10 positions to lie in 31st position, an improvement of 9.10.

John Maasch has swept into the lead and now holds a commanding 2.80 lead over the improving Chris Cottrell with a net score of 50.98, an improvement of 4.00 from the previous week, followed by Robert Pryce who moves up two spots to third place, a further 0.56 behind. The next 20 players are only separated by less than 7.00 shots.

There were an additional 15 birdies recorded by the Ringers field this week, with Albert Yee overtaking the lead in these stats with seven birdies, from David Harvey and Spencer Wicks with six birdies, next is Isaac Preece with an eagle and four birdies, followed by Jonathan Kemp and Vance Hetaraka with five birdies and Albert Yee with four birdies.

If you haven't already entered, **it's not too late (there's 7 rounds left)...come and join in on the FUN...just add your name on the entry sheet in the Pro Shop and pay the entry fee of \$10, along with the Match of the Day fee...**if you played and entered the match of the day of the previous weeks then those scorecards will be included...play your game and enjoy the friendly rivalry and banter each week as the competition progresses to its finale.

See you out there on Saturday and Happy Golfing.

MEN'S REPORT

Happy Year to all those who have not been around or playing over the holiday period and let's hope for another great year of golf!

This Saturday, the 15th of January, is a Stroke round competition off the silver tees, and it is the qualifying round for the Foley Cup. The Foley Cup is a one grade competition, match play on handicap. The match play rounds are scheduled for the 22nd of January, 5th, 12th & 19th of February. If you wish to be considered for qualification for the match play rounds, put your name on the sheet in the pro shop. [Sixteen best nett scores to qualify.]

After discussions with the green staff, they are holding the white tee blocks back until the Opening Day on the 29th of January! We are back with the normal competition fees and prizes this week which includes: the Gross score, a Birdie hole, a Net Eagle hole, a Hancock longest putt and the four Hancock's closest to the pin prizes.

Over the Christmas and New Year break those of us that have been left here in Christchurch have been out playing in Canterbury's hot but mixed weather, on a course which is both been challenging with significant grass growth - back to spring length in the rough, and true greens. Over the Christmas and New Year's period we had 55 members playing Saturday the 1st, on Wednesday the 5th of January 54, and on Saturday the 8th, 66.

In keeping with the weather there were some sizzling scores, and the highlights of these are John Robinson 47 stablefords on the 8th, Daniel Wilson scoring 45 twice (!) on the 1st and 5th, Paul Hansen 40 and 37, Clinton Chase a 44, Chris Cottrell a 42, and Steve Satherley a 41. Very well played everyone.

Last Saturday, the 8th of January, it was a Stableford competition off the Silver tees and the full results are available on the website, but the summary is;

Silver Division One: Daniel Bushby from Albert Yee both on 38.

Silver Division Two: Charlie Longley on 38 from Duncan Shaw-Brown and Kyle Charwood both on 36.

Silver Division Three: John Robinson on 47 from John Maasch on 41.

I contacted Robbo after his 47 to congratulate him on the score. The reply came back "That was my best game since 2013 and the most surprised person was me!" So well done Robbo and keep it up.

It was good to see Mike Smith back out in the clubrooms, and hopefully he can get himself fit enough to return to golf soon.

There was a bit of disappointment from the green staff as over the Holiday period with two silver, and one yellow tee marker damaged. Then two black tee markers have been removed from the tee block and can't be found. If anyone sees the black markers out around the course please pick them up and return to the Pro-Shop. Lastly please as members if you see this behaviour do something about it!

Meat/ Wine/ Raffle Prizes:

The raffles are back and until February we will be having the one 60 number raffle which are able to be purchased through Murita in the clubrooms. In February we will go back to two 50 number raffles. The raffle profits provide money for the match committee to pay for presents and the purchase of golf balls. Please help support the club in this way, and maybe walk home with a meat tray prize!

If you buy a raffle, please check the board and if you have a prize, wipe your name off, then ask Murita to pick up your prize, as we don't have a lot of space available within the freezer.

Pace of Play:

I was reading an article in the 2 January 2022 Golf Digest referring to 15 ways to be a better golfer', and I thought it was worthwhile sharing some of the tips over the next two weeks in the hope, we can continue to make golf more enjoyable for everyone. Remember 9 holes should take no more than 2 hours.

Tip 1: Leave the driver head cover in your car.

Tip 2: The next person to the tee needs to be ready.

Tip 3: Limit practice swings.

Tip 4: Get ready to walk off towards your ball after the last person has hit off.

Tip 5: Watch everyone's shots including tee shots.

Tip 6: Make a quick choice as to whether to hit a provisional ball or utilise the local rules dealing with balls hit out of bounds.

Tip 7: While it's someone else's turn to hit figure out your yardage and be ready to play

THURSDAY MEN'S GOLF

After being rained out the previous Thursday, we finally got our Christmas tournament played on 23/12/21. Given the timing it was gratifying to get a field of 27 and my thanks to everybody who competed.

We presented the Geoff Basset Cup for the best scoring average (Stableford) over the whole year to Jimmy Anderson (pictured) who managed an average score of 38.5 over his best 10 rounds in 2021.

The match for the day was a Stableford competition off Yellow tees for the Burt Fifield trophy, and the winner on 42 points was Doug Ames (Well done to the ancient relic!!!)

Opening Day – 2022

A typical forecast for a Thursday - being showers in the morning clearing in the afternoon, not that I'm paranoid. No sign of rain and a very pleasant morning indeed. We had a stableford match off Silver tees and scoring was solid. The winner on the day was Logan Edwards with 41 and he also had two 2's. Well done, Logan.
